A missions update from People to People International

It is a great joy to see the enthusiasm among the students to broadcast contemporary christian radio.

First of all we would like to express our deepest thanks for your love, prayers and financial support. We are so thankful for your part in the calling God has entrusted us with. Your support means the world to us. Finally we believe spring is coming after a very long and cold winter. The days are getting longer and the air is much more pleasant.

During this year we are going to move our office. We have found another office space that is more suitable for our needs today. Besides that the rent will be lower, which is good. So right now we are doing some painting and fixing in the new office space, all in order to keep the costs down. We are all excited about moving, we believe it will be a very good change after being in the same office space for more than 30 years.

Romania

During the month of April Jörgen will go to Romania. It is time to meet with the organizations and pastors we support. He will also spend some time at the Bible school. The Church that we go to in Tranås has donated a complete radio studio to our ministry to be used at the Bible school in Oradea. Some preparation will be made for that purpose. The new studio will be linked together with the studio that PTPI donated a few years ago. It will be a great tool in reaching the people with the Gospel. Through

this opportunity the school will take a great leap in the development of radio production.

The Republic of Moldova

The work in Moldova continues with unreduced force. What the Church experiences today has never happened before. All the time we get positive reports of people who find their way to the Church. Every day children and teenagers come to the activities in the Church. The two summer camps that PTPI paid for is starting to bear fruit. Not only the young people come to Church, even their parents start to come. We are so thankful to the Lord for the development we see. Slowly but surely God's Kingdom is being spread in this city. People meet the love of God, are being restored and changed. This is Pastor Igor's recent report.

Dear brother and sisters, we read in the Bible: *"Lift up thine eyes round about, and see: all they gather themselves together, they come to thee: thy sons shall come from far, and thy daughters shall be nursed at thy side. Then thou shalt see, and flow together, and thine heart shall fear, and be enlarged; because the abundance of the sea shall be converted unto thee, the forces of the Gentiles shall come unto thee."* (Isaiah 60:4-5).

Teens meeting in Church. A positive result from the outreach done by the Church.

From the family front

Our children and their families are doing well. The grandchildren are growing fast. Jörgen and Maria's son Gabriel is 13 years old and is a great young boy. He plays the drums in different settings, likes music and are also into computers.

Joachim and Lena's girls are also doing well. Emma will be 11 this year, Saga turns 8 in May and Bella is already 2,5 years old. They are all very active. Emma practices cross-country skiing in the winter and plays football in the summer. Saga is very much into drawing and is very girlish. Bella is just a happy little girl who plays and sings a lot. All the grandchildren are a great blessing and we thank God for our family. Sorry to say Oliver is struggling with his sickness, but is in a good mood.

In closing we want to thank you once again for your prayers and financial support. Remember you mean the world to us. Your support is very vital. We love you and you are in our prayers.

Lena Maria Jörgen

God sees what is happening in our city Glodeni. Personally I lack words to describe my amazement and I am thrilled when I think about that the creator of the Universe is visiting our city passing every house hoping to save souls from being lost. The only way I can explain this is that dozens of young people now are visiting our Church hoping to find God. We have decided to set aside one day, Thursdays, for these young people. It will be a time when they will meet for worship and fellowship. They love it and hardly want to leave when the meeting is over. Praise be to God! I believe this is the result of the two projects "Daily bread and the Food packages" you are supporting financially. All the glory be to God! Amen.

Pastor Igor

During the month of may we are planning yet another trip to Moldova. This time Jörgen's wife Maria will go together with him. This is of course a great joy that they can go together. Some time ago we got a letter from Pastor Igor that they are in great need of new chairs for the Church. Every time Jörgen has been there, he has noticed the conditions of the chairs. They are very old and nails are starting to come out of the wood and tear holes in the clothes and causes wounds on the hands.

Last month we raised money for little over 150 chairs. It will be a great joy to send the money to the Church so they now can buy new chairs. We know they will be excited about the fact that they now can get rid of the old chairs.

Positive and happy news

We will continue this letter with more positive news. What makes it possible for Maria to go with Jörgen to Moldova is the fact that Maria, May 1, will come on full-time in the ministry. She has worked as a registered nurse for 23 years but has for some time felt that God is leading her in a new direction. So for the past two years Maria has, in combination with her work at the hospital, worked two days for the ministry. Of course it is a great joy to see Jörgen and Maria being able to work together.
